📍 Emmauksenkatu 6, 20380 Turku

👤 About me in brief

I graduated MBA Service Design, from Novia University of Applied Sciences, Turku, in December 2024, and I'm looking for a full-time/part-time job. I have worked in my own country for 18 years as an architect, design manager, and project coordinator, but in Finland I have worked in the restaurant industry alongside my studies and currently work part-time as a project assistant at Novia UAS business RDI Turku and in the cleaning industry. I have an unlimited right to work, a B driver's license, a hygiene passport and an occupational safety card. My working language is English. I know the basics of Finnish.

📇 Cards

- B-Driver's license
- Hygiene passport
- Occupational safety card
- Residence permit card based on degree completion in Finland and looking for work (unlimited right to work)
